-MONSER-

¿Cómo puede un hombre real convertirse en un hombre ficticio? La respuesta es sencilla. Uno tiene que eliminar a todo aquél que le conozca, a todo aquél que conozca su pasado. Uno tiene que convertirse en el único que exista... Un hombre intentó hacer esto. Intentó cometer el "suicidio perfecto". Pero no consiguió horrarlo todo.

Ahora, el "monstruo sin nombre", se ha convertido en un hombre real.
